PASTURE SCENE AT GLENBURN FARMS

Invitation

We extend to you a warm invitation to join us at Glenburn on Saturday, October 22nd, for our 19th annual sale.

Select offerings from former consignors have been supplemented by a choice group of females from the Massey-Harris herd, fresh from its strong showing on the 1955 Western show circuit.

Animals purchased from the herds represented in the sales at Glenburn and Klaymor continue to produce sale and show tops for their new owners. Despite the fact that the top price for females at the 1954 and 1955 Edellyn sales, the 1955 Marellbar sale, the 2nd top at the 1954 Marellbar sale, the all-time top-selling bull at Edellyn sales, the reserve grand champion female at Saskatoon, and three first prize winners at that record show, all were from animals bred in these herds or descended from animals bred in these herds, it is doubtful if ever we have presented as strong an offering as this.

Study the catalogue — the animals — and join us on October 22nd for the Klaymor sale at 10 a.m. and then move to Glenburn for lunch and this sale in the afternoon.

Remember the Cadesky sale at Louada Farms, near Peterborough on Monday, October 24th. Unionville is just out of Toronto on the way to Peterborough.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and for Bang's Disease unless officially vaccinated. All papers necessary for export will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall be not allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

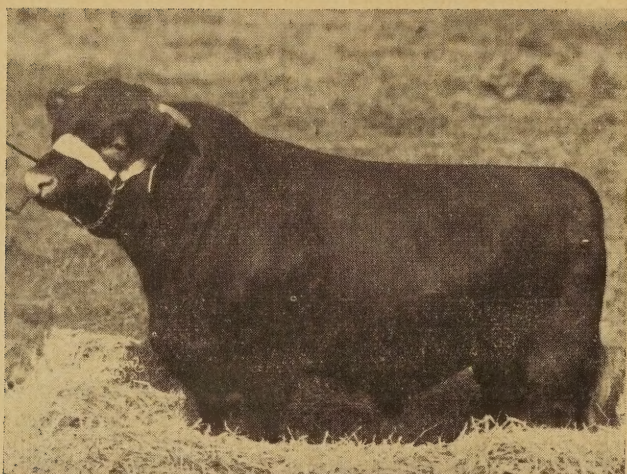

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book at the usual \$10 fee except Scott entries from imported dams.

6. We will not be responsible for accidents that may occur. As soon as cattle are sold, they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.

7. TERMS—Cash. Settlements must be made with the clerk immediately after the sale.

PHOPACHY (Fop-a-key) DIPLOMAT—Sired by the 4700 guinea Naemoor Marshal and out of a dam whose top sires are those of the great Kirkton Baronet. Diplomat is almost a full brother of the 1950 Perth show and sale and supreme champion of the 1952 Palermo show in Argentina. Roth's Queen Tansy is the granddam of Kirkton Envoy, and the line of sires is identical but for the omission of Calrossie Broadhooks Bounty from the pedigree of Envoy. Study the get of Diplomat in this sale and in our pastures. His daughters averaged \$994. at auction in 1951, \$1021. in 1952. He sired the grand champion steer of the 1953 C.N.E., the grand champion bull of the 1953 New Zealand Royal, the grand champion female of the 1953 Maritime Winter Fair, and the C.N.E. and London champion, Glenburn Graceful Lass 16th. He stands second among Shorthorn sires tested in Advanced Registry at Guelph.

SCOTSDALE HECTOR -345033-

This is the young bull we selected to carry on the breeding programme at Oakfield Farms. He has a grand breeding head, is low-down, thick fleshed and smooth and has plenty of bone. His sire, O.A.C. Mayflower's Ransom, has sired many Champions in the Scotsdale herd of S. G. Bennett, Georgetown, Ontario. His dam, Calrossie Brilliant Princess is by Millhills Champion and is a full sister of the dam of the Junior herd bull at Calrossie, Calrossie Prince Charlie.
